EXHIBIT 7.6**BILLING AND PAYMENT****1. Net Capitalized Cost of Replacement.**

a. Whenever an Owner ("***Replacing Party***") replaces Facilities or other items or improvements under **ARTICLE 7** or elsewhere in this Agreement, and another Owner ("***Contributing Party***") is required by this Agreement to bear part or all of the Net Capitalized Cost of such Replacement (as such term is defined in this **EXHIBIT 7.6**), the Replacing Party shall deliver a statement to the Contributing Party showing the Contributing Party's Applicable Percentage (as that term is defined in this **EXHIBIT 7.6**) of such cost thereof within thirty (30) days after installation or completion of such replacement, as such date is reasonably determined by the Replacing Party. The Contributing Party shall pay its required Applicable Percentage as set forth herein of the Net Capitalized Cost of such Replacement to the Replacing Party within thirty (30) days after receipt of such statement or upon such terms as the Owners may agree.

b. As to Replacements under **ARTICLE 7**, the Replacing Party shall, at or about the commencement of each calendar year, deliver to the Contributing Party its reasonable estimate or budget, in reasonable detail, of Net Capitalized Cost of Replacements for such year or other operating period as may be agreed by the Owners. Each of the Owners shall maintain reasonable reserves to pay its respective Applicable Percentage of the Net Capitalized Cost of Replacements when due and shall furnish to the other Owners evidence of such reserves upon request of the other Owners, but not more often than annually. The failure to include any Net Capitalized Cost of such Replacement in the budget shall not release any Owner from its obligation to timely pay its required Applicable Percentage as set forth herein.

c. Notwithstanding anything to the contrary contained in this Agreement, each Project Owner shall bear 100% of the Net Capitalized Cost of Replacement of all Improvements, Facilities, systems and equipment providing service to their Parcel exclusively. If any Improvement, Facility, system or equipment requires Replacement, and such Improvement, Facility, System or equipment serves more than one Parcel but less than all of the Parcels, then the Owners of the Parcels served by such Improvements, Facilities, systems and equipment shall divide the Net Capitalized Cost of Replacement of any such Improvements, Facilities, systems and equipment in the same ratio as such Project Owners bear to each other under the Approved Division, excluding the Project Owner whose Parcel is not served by such Improvement, Facility, system or equipment (for example, and in no way limiting the rights or obligations of the Owners as set forth in this **EXHIBIT 7.6**, if the only Parcels served by the Improvement, Facility, system or equipment requiring Replacement are the Hotel Parcel and the Office/Annex Parcel, the Hotel Owner shall bear ninety-one and sixty-seven one-hundredths of one percent (91.67%) of such Net Capitalized Cost of Replacement and the Office/Annex Owner shall bear eight and thirty-three one-hundredths of one percent (8.33%) of such Net Capitalized Cost of Replacement).

7.6-1

CHGO240126644.12

2. **Operating Expenses.**

a. Each of the Office/Annex Owner and the Retail Owner shall make monthly payments in advance on the first day of each calendar month on account of Operating Expenses (as that term is defined in this Exhibit) for each calendar year for services rendered by the Hotel Owner to the Office/Annex Parcel and the Retail Parcel, respectively, during such calendar year (each such monthly payment hereinafter referred to as a "***Progress Payment***"), as follows:

i. The Hotel Owner shall, prior to October 1 of the preceding calendar year or from time to time during the calendar year in which it provides services, deliver a written notice or notices ("***Projection Notice***") setting forth:

(A) the Hotel Owner's reasonable estimates, forecasts or projections based on a detailed budget (collectively, the "***Projections***") of Operating Expenses for the services to be provided by the Hotel Owner pursuant to **ARTICLE 7** for such calendar year, with an explanation as to increases anticipated from the prior year's operations; and,

(B) the amount of the Progress Payment to be made by each Owner receiving such services. The amount of each Progress Payment shall be in an amount equal to one-twelfth (1/12) of the Projections for the calendar year times such Owner's Applicable Percentage.

(C) the amount of any increase or decrease as a result of an unanticipated increase or decrease in expenses, and an explanation for such increase or decrease.

ii. Office/Annex Owner and the Retail Owner shall in their reasonable discretion approve the Projections within thirty (30) days after such Owner receives the Projection Notice; provided, however, that in the event, that an Owner does not object in writing to a Projection Notice within such 30 day period, such Owner shall be deemed to have approved the Projection Notice. If a Projection Notice has not been approved (or deemed approved) by the Office/Annex Owner and the Retail Owner within the thirty (30) day periods stated above, the Owners shall continue to make Progress Payments based on the most recent Projections approved by all such Owners until new Projections are approved by such Owners.

iii. Hotel Owner shall use its reasonable efforts to provide its services within the budgeted costs detailed in the Projections with respect to all costs that are reasonably within its control.

iv. The Hotel Owner may require that certain items, such as submetered water or electricity, be paid by the Owner receiving such services within ten (10) days after the Hotel Owner sends an invoice to such Owners.

v. During the calendar year, each such Owner shall pay to the Hotel Owner a monthly Progress Payment equal to:

(A) the latest monthly Progress Payment; or,

(B) if the previous calendar year's aggregate variable charges have been determined pursuant to Paragraph 2(a)(viii) below, one-twelfth (1/12) of the previous calendar year's aggregate variable charges payable by such Owner (based upon its respective Applicable Percentage thereof).

vi. On or before the first day of the next calendar month following the Hotel Owner's service of a Projection Notice, and on or before the first day of each month thereafter, each Owner shall pay to the Hotel Owner its Progress Payment shown in the Projection Notice for such month.

vii. Within ten (10) days following the Hotel Owner's service of a Projection Notice, to bring payments on account of Projections current:

(A) if the new Projections are greater than the Projections from which the Progress Payments currently being made were derived, then each Owner shall also pay the Hotel Owner a lump sum equal to its new Projections less: (1) any previous Progress Payments made for such calendar year and (2) its monthly Progress Payments due for the remainder of such calendar year not yet due and payable, or

(B) if the new Projections are less than those Projections from which the Progress Payments currently being made were derived, the Hotel Owner shall credit against the Progress Payment next due the overpayment equal to the Progress Payments previously made for such calendar year minus Progress Payments which would have been payable for such period based on the new Projections, and if the overpayment is more than the next due Progress Payment, the Hotel Owner shall pay each Owner its respective portion of the overpayment in excess of the next due Progress Payment.

viii. Within ninety (90) days following the end of each calendar year, the Hotel Owner shall determine the actual amounts of any or all components of Operating Expenses for such calendar year payable by each Owner and shall notify such Owners in writing (the "Statement") of their respective Applicable Percentage of such Operating Expenses for such calendar year, together with reasonably sufficient detail.

(A) If such actual Operating Expenses owed for such calendar year exceed the total of the Progress Payments paid by such Owners for such calendar year, then each such Owner shall, within (30) days after receipt of the Statement, pay to the Hotel Owner an amount equal to the

excess of the Operating Expenses over the Progress Payments paid by each such Owner for such calendar year.

(B) If the Progress Payments paid by such Owners for such calendar year exceed such Operating Expenses owed for such calendar year, then the Hotel Owner shall, together with delivery of the Statement, pay such excess to each Owner or shall, upon the prior written consent of each Owner, credit such excess to such Operating Expenses payable after the date of the Statement until such excess has been exhausted.

ix. Unless such payments are not timely made in accordance with the terms of this Agreement, no interest shall be payable on any Progress Payments or on any excess of Operating Expenses for a calendar year over Progress Payments paid for such calendar year. Interest shall be payable on excess funds not refunded or paid by an Owner as and when required as provided in Paragraph 2(a)(viii) above from the due date until paid at the rate set forth in **Section 12.4** of this Agreement.

3. **Management Fee for Overhead and Supervision.** Each Owner, in addition to paying for its allocable portion of the services under **ARTICLE 7** of this Agreement, shall be obligated to pay its allocable portion of any management fee paid by the Owner providing such services to a management company retained by such Owner to perform such services. Such portion of the management fee shall be included in the Progress Payments. Notwithstanding any provision to the contrary: (a) the Retail Owner shall pay only its allocable portion of a management fee not to exceed 7.8% of the cost of providing the services under **ARTICLE 7** of this Agreement, which management fee shall not be based on the cost of any utilities or insurance; (b) the Office/Annex Owner shall pay only its allocable portion of a management fee not to exceed 4.5% of the cost of providing the services under **ARTICLE 7** of this Agreement, which management fee shall not be based on the cost of any utilities or insurance; (c) the Hotel Owner shall pay only its allocable portion of a management fee not to exceed 87.7% of the cost of providing the services under **ARTICLE 7** of this Agreement, which management fee shall not be based on the cost of any utilities or insurance; (d) any such management fee shall be reasonable and shall be pursuant to a written management agreement subject to the reasonable approval of all Owners; (e) any such management agreement shall be with an entity that is not an Affiliate of any of the Owners; and (f) any such management agreement and management fee shall be the result of good faith arms-length negotiations.

4. **Submission and Payment of Statements.** Except for payments and statements under Paragraph 2 and Paragraph 3, each statement hereunder: (a) shall be submitted on or about the first day of the month and (b) shall be paid within thirty (30) days after receipt.

5. **Defaulting Owner's Payments to Creditor Owner.** With respect to any period in which the Creditor Owner, pursuant to **Section 7.6(a)**, is performing such services which the Defaulting Owner has failed to perform, the Defaulting Owner shall make payments to the Creditor Owner performing the services as follows: the Defaulting Owner shall pay all Operating Expenses and the Net Capitalized Costs of Replacement incurred by the Creditor Owner in

excess of those which would have been payable by the Creditor Owner had the Defaulting Owner provided services as required by this Agreement, plus (a) the fee referred to in Paragraph 3 above, and (b) the Creditor Owner's other reasonable out-of-pocket costs and expenses incurred in taking possession and operating the Facilities. The Creditor Owner may bill the Defaulting Owner therefor on a monthly basis.

6. **Inspection of Books.** Each Owner making Progress Payments and its respective authorized representatives shall have the right at all reasonable times to review and examine the books and records of the Owner receiving Progress Payments solely as they pertain to services under **ARTICLE 7** in connection with the Property and the amount and allocation of charges for services under **ARTICLE 7** hereof which may be maintained on-site or which may be in the possession of a third party manager off-site, but not the general books and records of such Owner. Such review and examination may be conducted no more than twice to charges related to any one calendar year and shall be performed, if at all, within three (3) years after receipt of the Statement relating to such calendar year. Each such Owner shall be deemed to have waived future review and examination of books and records for such calendar year, if the review and examination was not made on a timely basis. Each Owner reviewing such books and records shall treat such books and records as confidential, and the cost of such review shall be borne by the reviewing Owner, unless such review discloses that charges for services by the Owner providing such services with respect to any annual period exceeded the proper charges by more than five percent (5%) in which event the Owner providing such services shall bear such cost.

7. **Definitions.** The terms used in this **EXHIBIT 7.6** shall have the meaning described to them in the Agreement, except as otherwise specified in this **Paragraph 7**:

"Applicable Percentage." With respect to all services to be provided by the Hotel Owner pursuant to **Section 7.1** and **Section 7.2** of the Agreement, the Applicable Percentage for each of the Hotel Owner, the Office/Annex Owner and the Retail Owner, applicable, shall be as shown on **EXHIBITS 7.1(A), 7.1(E), 7.1(H), 7.1(I)** and **7.2(D)**.

"Net Capitalized Cost of Replacement." Net Capitalized Cost of Replacement shall mean the excess of (a) the installed cost of a replacement of Facilities or other items or improvements being replaced incurred by an Owner and required to be capitalized in accordance with generally accepted accounting principles, consistently applied, over (b) the Net Salvage Value of the Capital Item Being Replaced (as hereinafter defined). The installed cost of a capital item is the sum of net installed cost, a reasonable and customary general contractor's fee for profit and overhead, a reasonable and customary design fee and all other reasonable and customary related costs, including but not limited to insurance costs, bonds, engineering, architect's and attorneys fees, permit fees and temporary utility charges and interest during construction.

"Net Salvage Value of the Capital Item Being Replaced." Net Salvage Value of the Capital Item Being Replaced means the amount received for an item replaced less any expenses incurred in connection with the sale or preparation of the item for sale, or, if not sold, but retained, the reasonable amount that could have been received for an item if sold.

“Operating Expenses.” Operating Expenses shall mean and shall consist of all expenses, costs and disbursements paid or incurred in connection with the performance of obligations under **ARTICLE 7** (other than those costs, expenses and disbursements falling within the definition of Net Capitalized Cost of Replacement) by an Owner performing such obligations, including, without limitation:

- a. Labor costs (including wages, salaries and fees of employees plus related taxes, insurance, benefits and reimbursable expenses);
- b. Materials, parts, equipment, supplies, tools and cost of third party contractors (including third party management);
- c. Except as separately metered and paid by an Owner, the cost of the water, gas, power, fuel, electricity and other utilities;
- d. Reasonable fees incurred in connection with outside professional services, such as reasonable attorneys’ fees and disbursements, reasonable accounting and auditing fees, reasonable architect’s and engineer’s fees and other reasonable professional fees and expenses;
- e. Insurance required under **ARTICLE 10** to be shared;
- f. Permits and licenses;
- g. Management fees;
- h. All other expenses paid or incurred in respect of such obligations performed by such Owner in accordance with generally accepted principles of sound management and accounting practices as applied to the Maintenance of comparable mixed use commercial, Hotel and parking garage buildings in downtown Chicago.

Operating Expenses shall not include costs paid to Affiliates of the Owner providing such services in excess of amounts customarily paid for similar costs in similar buildings in the area, costs of overhead, the cost of any repair or restoration required as a result of the gross negligence or willful misconduct of an Owner providing such services, any costs covered by warranty, or costs of any items to the extent the Owner providing such services receives reimbursement from insurance proceeds or from a party other than the Owners, provided, however the cost of enforcing or collecting upon any warranty or insurance policy, such as attorneys fees, shall be deemed to an Operating Expense.

In any case where a component of Operating Expenses covers more than the individual service outlined above, the Owner providing such services shall make a reasonable allocation to such service.

Operating Expenses shall not include interest or amortization payments on any mortgage or mortgages, rental under any ground or underlying lease or leases.

All capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the REA;

WHEREAS, Borrower, Thor Office and Thor Retail have agreed to amend the REA in the manner set forth herein.

"(m) An exclusive easement for the benefit of Hotel Owner (and its Permittees) to use no less than one hundred fifty three (153) parking spaces in the Parking

Garage for the parking and passage of motor vehicles by overnight guests of the Hotel. The easement granted to the Hotel Parcel herein shall include access rights over any and all such ramps and drives which serve the Parking Garage. Notwithstanding anything to the contrary contained herein, Retail Owner shall be obligated to operate and maintain the Parking Garage and the Parking Garage ramps in a Class "A" first-class manner and in the event Retail Owner fails to maintain the Parking Garage and Parking Garage ramps as contemplated herein, then Hotel Owner shall be permitted to exercise self-help rights in accordance with the terms of the REA."

2. Maintenance Easement for the Benefit of the Hotel Owner. Section 5.2 of the REA is hereby amended by adding the following as subsection (m) in the appropriate alphabetical order:

"(m) A non-exclusive easement for the benefit of Hotel Owner (and its Permittees) to perform Maintenance on the Parking Garage ramps in the event Retail Owner fails to do the same in accordance with the terms of this REA. Further, Office/Annex Owner may relocate the Parking Garage ramp easements at its sole cost and expense in connection with the development or redevelopment of the Office/Annex Parcel, provided that (i) such relocation shall not cause any interruption of the use of the Parking Garage ramp by the Hotel Parcel, or otherwise adversely affect the use of the Parking Garage by the Hotel Parcel, (ii) Office/Annex Owner shall provide the Hotel Owner at least one hundred twenty (120) days prior written notice regarding the proposed new location of the Parking Garage ramp prior to its proposed relocation of the Parking Garage Ramp, and such one hundred twenty (120) day notice shall include all required deliveries in connection with the performance of an Alteration pursuant to Article 16 hereof, (iii) Hotel Owner consents to such relocation, which consent may be withheld in the sole and absolute discretion of the Hotel Owner (such consent not to be unreasonably withheld, conditioned or delayed), and (iv) such relocation shall constitute an "Alteration" pursuant to Article 16 hereof, with Office/Annex Owner being the "Altering Owner", and such Alteration shall be performed in accordance with all of the obligations on the Altering Owner as set forth in Article 16 hereof."

3. Amendment to Section 5.3(h). Notwithstanding anything to the contrary contained in the REA, the easement granted to the Retail Owner shall be exclusive except when Hotel Owner is exercising any self-help rights due to a failure of the Retail Owner to maintain the Parking Garage ramp in accordance with the terms of the REA, in which event such easement shall be non-exclusive.

4. Amendment to Section 11.9. The second sentence in Section 11.9(d) of the REA is hereby deleted in its entirety and replaced with the following:

"If the Hotel Property is submitted to the Act, and (1) the Hotel Owner or the Condominium Owner delivers the Non-Restoration Notice, (2) within nine (9) months after the occurrence of the damage requiring repair or restoration as
